

Financial & Professional Services Cologne

One out of four German world market leaders come from Cologne

The **financial & professional** services sector, which encompasses insurance/insurtech, banking, consulting, real estate and corporate services, is **booming** in Cologne.

Companies choosing Cologne will be off to a flying start due to several locational advantages, including **easy access to professional talent**, proximity to millions of customers and comparatively **low commercial rents**.

These facts translate into impressive industry figures: with an annual sales growth of +4% (2009-2020), **Cologne more than doubled the nationwide average for the industry**.

Cologne is a very good insurance location, has solid infrastructure and excellent research and educational facilities. That attracts a lot of well-trained people who want to make a difference. You could also call Cologne the city of diversity, the people who live here are as different as the city itself - that fits very well with Canada Life and our Canadian roots.
